

THE AMERICAN SOCIETY OF EMERGENCY RADIOLOGY

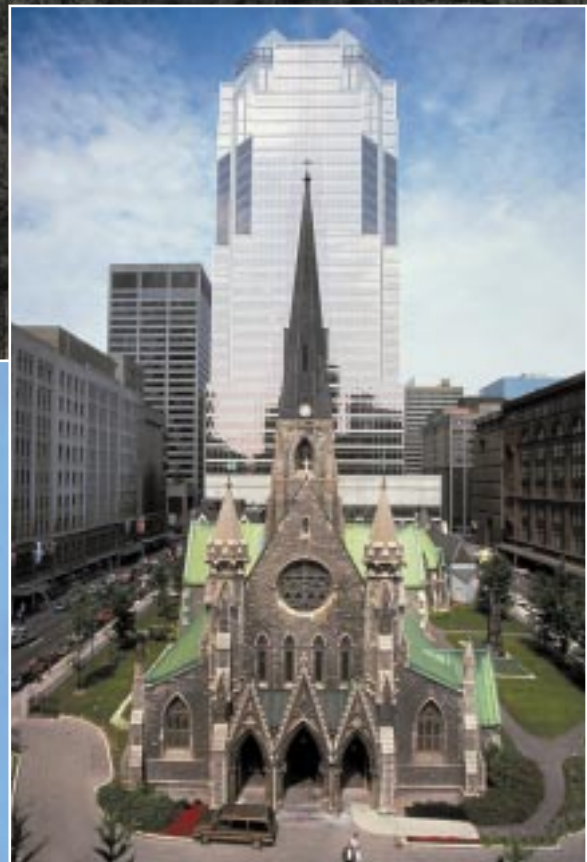

POSTGRADUATE COURSE IN EMERGENCY AND TRAUMA RADIOLOGY 2004

**Hôtel Omni Mont-Royal
Montreal, Canada
Wednesday – Saturday
September 8-11, 2004**

Jointly Sponsored by
**Continuing Medical
Education Resources, Inc.**

Course Overview and Intended Audience

This meeting will provide a broad experience in state-of-the-art emergency imaging, including both educational sessions covering the latest advances and trends in emergency radiologic diagnosis and sessions presenting new original scientific work. The meeting provides opportunity to meet with colleagues internationally and discuss new and challenging aspects of emergency imaging.

The meeting will be of particular interest and importance to persons at various levels of training in radiology (residents, and fellows) and different types of radiology practices (community hospitals, teaching hospitals, small and large radiology group practices), and subspecialties including emergency radiologist, neuroradiologist, musculoskeletal radiologist, interventional radiologist, urologist, and gastrointestinal radiologist. The education level is intermediate to advanced.

2004 Meeting Goals and Learning Objectives

The goal of the scientific meeting is to afford the attendee a wide-ranging educational experience reflecting the latest advances in emergency radiology emphasizing insights into the diagnosis of acute diseases, the potentialities of new therapies, the mechanisms of injuries, and the utilization of digital technologies in contemporary practice.

Specific learning objectives are as follows:

- Review common and uncommon upper extremity injuries using multiple imaging modalities
- Refresh skills in imaging of brain, neck and spine emergencies
- Apply clinical prediction rules to emergency imaging
- Learn about new advances in the imaging of obstetrical and gynecological emergencies
- Explore legal and ethical issues in teleradiology
- Reveal the expanding uses of multidetector-row CT and MR for chest emergencies
- Develop innovative approaches to providing off-hour emergency imaging coverage
- Review imaging of pediatric emergencies, including child abuse

CME Statement and Credit Designation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Continuing Medical Education Resources and The American Society of Emergency Radiology. Continuing Medical Education Resources is accredited by the ACCME to provide continuing medical education for physicians.

Continuing Medical Education Resources designates this educational activity for a maximum of 22 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Presenters at this conference will disclose any conflict of interest or their intention to discuss off-label use, if applicable, at the beginning of their presentation and in accordance with ACCME Standards and FDA requirements.

APPLICATION FOR MEMBERSHIP

Physicians who qualify for membership and who are interested in promoting the goals of the American Society of Emergency Radiology (ASER) are invited to complete the application form. New applications are reviewed and endorsed by the Membership Committee and then reviewed by the Executive Committee. Successful applicants are notified by the Society of acceptance. If your application is not approved for membership, the first year's membership dues will be refunded.

The ASER was established in 1988 for the following purposes, as stated in the Society Bylaws:

- ◆ To advance and improve the radiologic aspects of emergency patient care.
- ◆ To establish Emergency Radiology as an area of special interest in the field of diagnostic imaging including sequencing, prioritization, and management of the delivery of imaging services.
- ◆ To improve educational curricula in Emergency Radiology for both medical students and residents.
- ◆ To provide, through an annual scientific meeting, a mechanism for presentation of scientific information on various aspects of Emergency Radiology and continuing education.
- ◆ To promote research in Emergency Radiology by clinical and basic science investigators, including residents and other trainees.
- ◆ To act as the resource body on Emergency Radiology for those interested in emergency patient care.
- ◆ To foster the development of Emergency Radiology in other nations and/or regions of the world.
- ◆ To develop and recommend standards of care in Emergency Radiology.
- ◆ To publish a scientific journal for dissemination of emergency radiological, clinical, educational, and research information worldwide.

QUALIFICATIONS FOR MEMBERSHIP

ACTIVE: A diplomat of the ABR, AOBR, the Royal College of Physicians and Surgeons of Canada or equivalent whose credentials are acceptable to the Membership Committee. Equivalent shall be described to mean any national radiological accreditation body. Should an applicant radiologist be from a country that does not have a national accreditation, the membership committee shall evaluate the applicant's qualifications and make its recommendation to the Executive Committee. Active members shall be entitled to vote, to hold elective and appointed office, and to serve on all committees. Members shall pay full dues, which include a subscription to Emergency Radiology, the Society's official journal. Dues are currently \$250 per year.

ASSOCIATE: Physicians who are engaged in the practice of Radiology on a full-time basis and who have completed an approved residency in Radiology, and are otherwise eligible for membership in ASER, but who have not been certified by the ABR, AOBR, or the Royal College of Physicians and Surgeons of Canada or equivalent. Associate members have the right to be appointed to committees, but shall not have the right to hold elective office or be a member of the Executive Committee. Associate members shall pay full society dues (\$250), which includes a subscription to Emergency Radiology, the Society's official journal.

MEMBER-IN-TRAINING: Physicians in training in the

field of Radiology (Residents or Fellows) who have an interest in Emergency Radiology. Members-in-training shall be entitled to all the privileges of Active members except they shall not be entitled to vote or hold office. They may serve on committees of the Society. Dues for members-in-training are \$75 and includes a subscription to Emergency Radiology, the Society's official journal.

AFFILIATE: Any physician who has not completed a Radiology residency, but has a demonstrated interest in Emergency Radiology shall be eligible for Affiliate membership. Affiliate membership in ASER neither implies nor conveys special qualifications or competence in Emergency Radiology. Affiliate members shall have all the rights of active membership except the right to vote or hold elected office. Affiliate members shall pay full dues (\$250), which includes a subscription to Emergency Radiology, the Society's official journal.

TECHNOLOGIST: A registered technologist and member in good standing of the American Society of Radiological Technologists or equivalent who has a principal interest in Emergency Radiology technology. Technologist members shall have the right to serve on committees, but shall not have the right to vote, hold elective office, or serve on the Executive Committee. Technologist dues are \$75 and includes a subscription to Emergency Radiology, the Society's official journal.

HOUSING DEADLINE

The deadline for guaranteed housing is Saturday, August 14, 2004. Reservations made after the deadline date will be taken on a space available basis and the ASER hotel rate cannot be guaranteed.

HOTEL RESERVATION AND CANCELLATION POLICY

Reservations may be made conveniently on line at ASER's website; www.erasd.org. Should you experience a problem using the online reservation system, please refer to the hotel reservation service by phone or by fax at the numbers listed on the hotel reservation form. Reservations must be received by August 14, 2004 in order to guarantee availability. It is possible that hotel rooms may sell out prior to August 14th, therefore it is strongly recommended that you make your reservations as early as possible.

Room rates are available three days prior and following actual meeting dates subject to availability. Room rates listed do not include applicable taxes, which are currently 7% federal tax, 7.5% provincial tax, \$2 lodging tax (fixed tax per room/per night). Tax is subject to change

The hotel will require a first night's deposit to confirm a guestroom reservation plus appropriate tax. Personal check, money order or any valid major credit card is acceptable. The deposit will not be charged against the credit card unless you should cancel without proper notice of cancellation. Cancellations are fully refundable forty-eight hours prior to the scheduled arrival. When phoning or faxing your reservation, please obtain a cancellation number for your records.
