

The ASER 2019 Annual Scientific Meeting and Postgraduate Course in Emergency and Trauma Radiology

### **HIGHLIGHTS**

- 24.75 hours of CME\*
- · 2 SAMS (DECT/ MCI)
- •96 faculty members
- Hands-on-Training (DECT and MCI)
- Return of popular H2T Trauma course
- Social, Networking and Mentoring Events

\*Subject to accreditation approval

# SEPTEMBER 11 - 14, 2019

Hyatt Regency Scottsdale Resort & Spa at Gainey Ranch Scottsdale, Arizona

Uyeda, MD Mona Vakil, MD Nupur Verma, MD O. Clark West, MD, FASER, FACR\* Jeremy Wortman, MD Adam Wright, MD HeiShun Yu, MD

\*Fellow of ASER

# COURSE OVERVIEW AND INTENDED AUDIENCE

The 2019 ASER Annual Meeting will provide a broad overview of current state-of-the-art imaging techniques to evaluate the acutely ill and injured patient. Educational sessions covering the latest advances and trends in emergency and trauma radiologic diagnosis and sessions presenting new and original scientific work are included. The meeting provides an opportunity to meet with international colleagues and discuss new and challenging aspects of emergency and trauma imaging.

The meeting is of particular interest and importance to clinical radiologists, both in the community and academic centers, delivering emergency care. Subspecialists in emergency radiology, neuroradiology, musculoskeletal radiology, chest and abdominal radiology, radiology residents and fellows, and emergency physicians at all levels of training will also find the educational and scientific material presented at the ASER meeting essential to their core and on-call knowledge base The Trauma Head-to-Toe course held on the last two days of the meeting is wellsuited for radiology residents preparing for emergency radiology coverage and is an excellent review for all radiologists covering trauma centers.

### MEETING GOALS AND LEARNING OBJECTIVES

At the conclusion of the course, attendees should be able to:

- Select the most appropriate imaging approaches to allow prompt assessment of the injured and acutely ill patient.
- (2) Apply optimal techniques to the acquisition of various imaging examinations commonly used in the emergency setting, maximizing diagnostic potential and considering patient safety.
- (3) Develop and utilize a systematic approach to the assessment of traumatic injuries and nontraumatic acute diseases, from head to toe.
- (4) Understand and be better able to implement the requirements for delivering continuous high quality care in an emergency radiology service, as well as throughout the unique circumstances that accompany mass casualty incidents.
- (5) Apply the latest imaging technologies and techniques for the investigation of the acutely ill or injured patient in the ED (e.g. Dual energy CT, ultrasound, MRI, and trauma whole-body CT).

#### CME ACCREDITATION AND CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Continuing Medical Education Resources and the American Society of Emergency Radiology. Continuing Medical Education Resources is accredited by the ACCME to provide continuing medical education for physicians.

Continuing Medical Education Resources designates this live educational activity for a maximum of 32 AMA PRA Category 1 Credits<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### SELF-ASSESSMENT MODULE INFORMATION

Any Self-Assessment Modules (SAM) presented in this activity, are qualified by the American Board of Radiology in meeting the criteria for Part 2 selfassessment CME (SA-CME) as part of the ABR Maintenance of Certification program. You may register to receive SA-CME credit for these sessions and pay the associated \$35 fee during the registration process.

### MASS CASUALTY HANDS-ON WORKSHOP

Friday, September 13, 2019 from 3:45 - 6:55 pm · \$100 Additional Registration Required. This workshop provides radiologists with knowledge of how they can optimize the handling of mass casualties. Short didactic lectures and primarily small group problemsolving activities guided by experienced faculty will ensure valuable interaction. After attending the Workshop, participants will be able to deal with topics crucial for mass casualty preparedness planning, like evaluating threats, identifying and prioritizing key radiology tasks, measuring required capabilities, and coordinating with the hospital system.

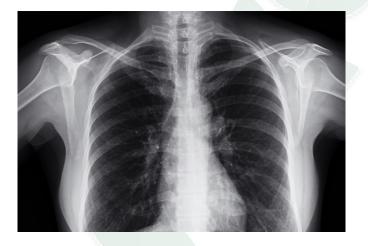

### RETURN ON YOUR INVESTMENT

Consider the benefits received from attending this meeting:

• Top-Quality Education: A wide-ranging educational experience reflecting the latest advances in emergency radiology.

Rush University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Rush University Medical Center designates this live activity for AMA PRA Category 1 Credit(s)<sup>™</sup>

\*Exact number of CME hours will be updated on the ASER website once approved by the accrediting institution. Physicians should claim only credit commensurate with the extent of their participation in the activity.

# HOTEL, TRAVEL & TRANSPORTATION & REGISTRATION INFORMATION

Discover the infinite beauty and natural wonders of the Sonoran Desert encompassing our breathtaking 27-acre Scottsdale family resort. Set amidst flowering cactus and framed against the majestic McDowell Mountains, our Arizona destination is surrounded by adventures and miles from the ordinary. Enjoy stunning views blended with intriguing Native American culture as you take advantage of our indulgent lifestyle amenities.

### HOTEL INFORMATION

HYATT REGENCY SC OTTSDALE

7500 E. Doubletree Ranch Road · Scottsdale, Arizona 85258 Please call the hotel directly 1.480.444.1234 for additional information concerning reservations and room categories.

### RESERVATIONS: 1.480.444.1234 or

https://www.hyatt.com/group-booking/SCOTT/G-ASER. Attendees are responsible for making their reservations by calling the hotel.

### ROOM RATE

\$209.00 Superior/Deluxe \$259.00 Courtyard View \$284.00 Premium View \$309.00 Regency Club Rooms

Check-in time is after 4:00 pm. Check-out time is 12:00 noon.

Rates are for single or double occupancy and do not include applicable state and hotel accommodations tax which is currently 13.92% per night.

The American Society of Emergency Radiology strongly encourages you to book your overnight accommodations at The Hyatt Regency Scottsdale. By staying at the conference headquarters hotel, you help the Society meet its contractual obligations with the hotel and maintain your current conference benefits, as well as keep future hotel guest room rates and registration fees reasonable.

#### PARKING

\$10 Self Parking fee per night \$21 Valet Parking fee per night 72 hour cancellation policy

#### HOTEL DEADLINE

The cut-off-date for online bookings is August 20, 2019. Reservations received after this date will be charged an increased rate. It is possible that hotel rooms and/or specific categories may sell out prior to August 20; therefore it is strongly recommended that you make your reservation as early as possible. Room rates are available three days prior and following actual meeting dates, subject to availability.

A credit card is required to book your accommodations. The credit card on file will not be charged unless the individual no-shows without proper notice of cancellation (prior to 4:00pm the day before arrival).

### HOTEL DEPOSIT AND CANCELLATION POLICY

The reservations can be modified and cancelled on-line for the conference period as long as rooms from the contracted block are available. After the cut-off date of 20th of August 2019, all reservations will be upon availability. Hotel will require only a first night's deposit to confirm a guestroom reservation for GROUP's attendees. Personal check, money order or any valid major credit card with a number and expiration date are acceptable. The deposit will not be charged against the credit card unless the individual no-shows without proper notice of cancellation.

# **AIRLINE & TRANSPORTATION & REGISTRATION INFORMATION**

#### **AIRLINE TRANSPORTATION**

United Airlines is an official carrier for the conference. United offers 2% to 10% discounts off published or zone fares. For fare and schedule information and to make reservations, visit www.united. com/meetingtravel, or call United Airlines Meetings at 1-800-426-1122.

Refer to Z Code: ZFNG and Agreement Code: 103483 when making your reservation.

A \$25 service fee will be collected, per ticket, for all tickets that are issues through Meetings Reservations. This fee is non-refundable and applies to all itineraries, one-way or roundtrip. To avoid this service fee and receive an additional discount on published fares, book online at www.united.com/meetingtravel. Enter the Z code and Agreement **Code (without a space) in the offer code box: ZFNG103483** 

Discounts will be authorized according to the following classes of service:

2% = Class T, L, K, G 5% = Clas A, B, M, E, U, H, Q, V, W, S, 10% = Class J, C, D, Z, P, O, Y

Discounts valid on airfare to Phoenix from Sept 5 - 20, 2019

#### **GROUND TRANSPORTATION**

Getting to the Hyatt Regency Scottsdale Resort and Spa at Gainey Ranch is easy with a wide range of transportation options available. Whether you arrive by shuttle, taxi or rental car, your trip from the airport will be relaxing and hassle-free. The Hyatt Regency Scottsdale Resort and Spa is located only 18 miles northeast of Phoenix Sky Harbor International Airport (PHX).

#### TAXI

Approximate taxi fare from the Phoenix Sky Harbor International Airport to the Hyatt Regency Scottsdale Resort and Spa is \$45.00 one way.

#### SHUTTLE

Super Shuttle vans are a popular and convenient transportation option. Average shuttle price is \$22.00 for the first passenger one way.

**GRAND TOTAL** 

\*Existing Members: To be eligible for the discounted member registration rate, member dues must be paid in full through 2019 by the start of the meeting (9/11/19), or your meeting registration will be charged the difference for the non-member fee.

\*New Member Applicants: To be eligible for the discounted member registration rate, the ASER Office must receive your complete membership application by the early-bird registration deadline (7/22/19), or your meeting registration will be charged the difference for the non-member fee.

\*\*The ASER is offering discounted registration for this two-day course to the first 60 residents or fellows interested in emergency radiology who are in-training at the time of the meeting. Proof of resident and fellow status must be emailed to info@aser.org.
