

## Non-Traumatic Musculoskeletal Imaging

Release Date: 7-22-2020

End Date: 7-22-2021

Run Time: 90 minutes

### Learning Objectives

- Differentiate direct spread osteomyelitis from reactive marrow changes on MRI.
- Describe the imaging characteristics of hematogenous osteomyelitis on MRI.
- Discuss MRI features that favor septic arthritis over reactive joint effusion.
- Diagnose the spectrum of overuse injuries from athletic endeavors.
- Identify the common appearance of frequently encountered bone lesions in the ED (incidental or not).
- Examine periprosthetic fracture, aseptic osteolysis, and prosthetic wear/component displacement of joint arthroplasty.

### Interprofessional Continuing Education - Rush Accreditation

In support of improving patient care, Rush University Medical Center is jointly accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.

Rush University Medical Center designates this live activity for a maximum of *1.50 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only credit commensurate with the extent of their participation in the activity.

### To claim Continuing Education Credit, attendees must:

- View the presented content
- Complete the test portion with a passing score of 75%
- Complete the evaluation

### Disclosure

**Unapproved Uses of Drugs/Devices:** In accordance with requirements of the FDA, the audience is advised that information presented in this continuing medical education activity may contain references to unlabeled or unapproved uses of drugs or devices. Please refer to the FDA approved package insert for each drug/device for full prescribing/utilization information.

It is the policy of the Rush University Office of Interprofessional Continuing Education to ensure that its CE activities are independent, free of commercial bias and beyond the control of persons or organizations with an economic interest in influencing the content of CE. Everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest (including but not limited to pharmaceutical companies,

biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic) within the preceding 12 months.

The course directors, planners and faculty of this activity have the following relevant financial relationships to disclose.
